Good to know

- 01** Save 112 and your accommodation's address in your phone
- 02** Keep your insurer's 24-hour emergency number with your passport copy
- 03** Private hospitals ask for a deposit or insurance guarantee
- 04** Get a police report for any loss or theft
- 05** Bites or scratches from animals: hospital the same day
- 06** Divers: hyperbaric chamber at Prof. Ngoerah Hospital, Denpasar
- 07** Write your blood group, allergies and insurance policy number on a card in your wallet.
- 08** Agree on a meeting point with your travel companions in case phones die or networks go down.
- 09** In an earthquake, drop, cover and hold on; on the coast, move to high ground if the shaking is strong or long, and follow the tsunami evacuation signs.
